EVERYONE DESERVES AN EQUAL OPPORTUNITY TOWARDS A FAIR FUTURE !

Meet our Founder and Managing Director

Est. in 2005, Fair Future Overseas Educational Consultancy (P) Ltd, was started by Dr.S Raj to cater to the needs of aspiring international students by means of fair practices and transparency in assisting their transition towards an international education. Being an international student himself in the early 90's in the USA and Canada, he was able to bring back his rich experience and provide guidance to students from India, for close to 2 decades.

Why Choose Fair Future as your consultant

- As one of the First representative's from Kerala of a Canadian Public institute (in 2005), our expertise of almost 2 decades is our greatest strength.
- With 1 Lakh plus student counselling annually we are always on the front foot when it comes to updated information related to international education.
- With VISA Approved students from 17 to 65 years of age, Fair Future continues to prove that **age is not a barrier to study abroad**. Even in Canada!

"AGE is not a Barrier for Overseas Education"

With VISA approved students from 17 to 68 years of age studying in Canada, USA & UK, Fair Future continues to prove that, if you have the genuine intention for lifelong learning, then age is not a barrier for overseas education. **Remarkably, several parents, inspired by their children's educational journeys, have applied through us a year later and subsequently enrolled in the same institute as students themselves!**

Wings of the students with an Overseas Dream :

Fitting the idea of learning in the equation of progression, many students and youngsters have migrated to different countries for better education and to keep up with the pace of the world. With such a vision that can decide the future of the world, almost all the universities have a reserved quota for overseas students. Add the scholarship and other programs that provide easiness in your educational facilities, and overseas education would be accessible and affordable for the common.

However, what does not fit in this entire equation is the lack of awareness about their facilities. With such an idea to provide the students with a fair education and futuristic opportunities, Dr S. Raj, the Managing Director, founded Fair Future Overseas Educational Consultancy Pvt. Ltd., India in 2005 and his Son Vighnesh S Raj is serving as one of the Directors of the Company and moving towards it's expansion paths by opening more offices in India and associate offices abroad.

A Vision of Fair Education

Like many aspirants with a thirst for knowledge and excellence, Dr Raj, too, went to the USA to complete his Masters in the early 90s. Living in North America for several years, Dr Raj realized that education in this half of the world is completely different from that of the other half. After returning to India in 2005 from Canada, he decided to start Fair Future Overseas Educational Consultancy to provide fair opportunities for students and expose the educational advancements that the world is moving forward with.

Fair Future Educational Consultancy today represents more than 500 Top Universities; though most of the students focus on education in countries like Canada, USA, UK and Australia. The consultancy also serves as a guiding lamp for the students at every step.

Partnering with the Prominent Universities

Along with representing more than 500 Top Universities in the world, the consultancy is the official representative of prominent universities like the University of California – Riverside, Sacramento, Irvine, University of Maine, University of Arizona, University of Idaho, University of Winnipeg, Memorial University, Cape Breton University, Troy University, University of Wisconsin, etc.

An Efficient and Visionary Leader

The idea of guiding international students throughout their journey can only come from a person who has experienced hardships. However, exploring the resources and understanding the dynamics of international education, the Managing Director of Fair Future, Dr S. Raj, had spent a considerable amount of time in the United States and Canada.

Pursuing his Master's in business administration with a complete scholarship during the 90's. He later worked in a large MNC in Dallas, Texas. During his entire time in the United States, he kept himself close to the academic sector. He kept on adding laurels to his name wherever possible.

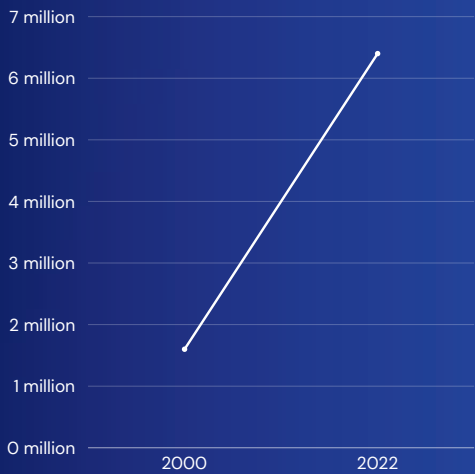

Exploring the depths of management style and being fascinated about the newer technologies, he attained his next Post Graduation in Global Entrepreneurship and e-Commerce in 2005 from York University @ Confederation College, Toronto, Canada. Growing the network in the rich and flourishing markets of the USA and Canada in 1997, he decided to put off the shoes and pick the lightning lamp for the students moving to other countries for international education. In order to excel his knowledge in International Business, he had done extensive research in this area and received his Ph.D also.

Under the leadership of Dr.S.Raj, Lidiya Tony and Vighnesh S Raj, Fair Future Overseas Educational Consultancy Co. has started its operation in Business Bay, Dubai to cater the study abroad needs of International Students from Middle East Regions.

The Distribution of International Students — 2000 vs. 2022

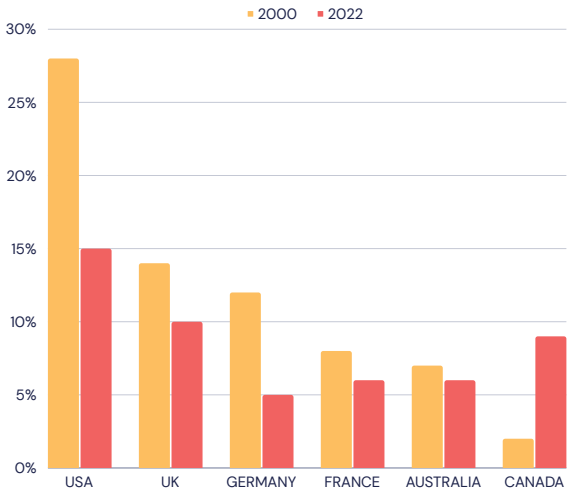

In 2000, there were 1.6 million international students studying abroad.

Fast forward to 2022 and the distribution of international students looks very different. Over 6.4 million students crossed the border to study in 2022, four times the number in 2000.

ഒരു മുൻ കാല പ്രവാസിയും 21 വർഷത്തെ സ്റ്റഡി ഗ്യാപ്പും ഉള്ള ഞാൻ വിദേശ പഠനത്തിനായി ഫെയർ ഫ്യൂച്ചറിനെ സമീപിച്ചപ്പോൾ ഞാൻ ഒരിക്കലും വിചാരിച്ചിരുന്നില്ല വിസ ലഭിക്കുമെന്ന്. 44ആം വയസ്സിൽ എനിക്ക് സാധിച്ചുവെങ്കിൽ നിങ്ങൾക്കും ഫെയർ ഫ്യൂച്ചറിനെ വിശ്വസിക്കാം.

Grace Thomas

കാനഡ ഉപരിപഠനം സ്വപ്നം കാണുന്നവർക്ക് ഒരു സംശയവും കൂടാതെ എല്ലാ കാര്യങ്ങളും അവർ മനസ്സിലാക്കിത്തരുമെന്ന് എനിക്ക് ഫെയർ ഫ്യൂച്ചറിലൂടെ കിട്ടിയ സർവീസിൽ നിന്നും മനസ്സിലായ ഒന്നാണ്. 15 വർഷത്തെ study gap - ന് ശേഷമാണ് ഞാൻ കാനഡയിൽ പോകാനൊരുങ്ങുന്നത്.

Suresh N

1998-ൽ പഠനം പൂർത്തിയാക്കിയ ഞാൻ നീണ്ട 25 വർഷത്തെ study gap - നു ശേഷം എന്റെ 46'ആം വയസ്സിലാണ് കാനഡ ഉപരിപഠനത്തെ പറ്റി ചിന്തിച്ചു തുടങ്ങിയത്. എന്നാൽ 1st ചാൻസിൽ തന്നെ എനിക്ക് സ്റ്റുഡന്റ്സ് വിസ നേടിത്തന്നത് ഫെയർ ഫ്യൂച്ചറിന്റെ ഈ രംഗത്തുള്ള പ്രവർത്തി പരിചയം കൊണ്ടുതന്നെ ആണ്.

Sruthi C

ഞാൻ എന്റെ ഡിഗ്രിയും മാസ്റ്റേഴ്സും പൂർണ്ണമായും distance എഡ്യൂക്കേഷൻ വഴിയാണ് നേടിയത്. എന്നാൽ വിദേശ പഠനത്തിന് ഇതൊരു തടസ്സം ആകുമെന്ന് മൂർഛകുത്തിയ പല വൻകിട ഏജൻസികളെയും മറികടന്നാണ് ഫെയർ ഫ്യൂച്ചർ എനിക്ക് കാനഡ സ്റ്റുഡന്റ്സ് വിസ നേടിത്തന്നത്. അതും എന്റെ കുടുംബത്തോടൊപ്പം ഫാമിലി വിസയിലാണ് ഞാൻ കാനഡയിൽ പോകുന്നതെന്ന് എടുത്ത് പറയേണ്ട ഒന്നാണ്.

Radhika R

11 വർഷത്തെ സ്റ്റഡി ഗ്യാപ്പോടുകൂടി 34'ആം വയസ്സിൽ ഭർത്താവിനും കുട്ടിക്കും ഒപ്പം family വിസയിൽ എനിക്ക് കാനഡയിൽ പോകാൻ സാധിച്ചെങ്കിൽ അതിനു ഞാൻ ഫെയർ ഫ്യൂച്ചറിനോട് കടപ്പെട്ടിരിക്കുന്നു.

Hareesh Keshavan

പലരും എനോട് പറഞ്ഞു study gap വിദേശ പഠനത്തിന് ഒരു തടസ്സം തന്നെ ആണെന്ന്. എന്നാൽ ഫെയർ ഫ്യൂച്ചറിനെ സംബന്ധിച്ചിടത്തോളം വ്യക്തിയുടെ പ്രായം പരിഗണിച്ചല്ല അവർ സർവീസ് നൽകുന്നതെന്ന് 15 വർഷത്തെ gap ഉള്ള എനിക്ക് കാനഡ സ്റ്റഡി വിസ വന്നപ്പോൾ മനസ്സിലായി.
